Important Questions		Answers		Why This Matters:
What is the overall deductible?		Network	Non-Network	Generally, you must pay all of the costs from providers up to the deductible amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
	Per participant:	\$1,000	\$3,000	
	Per family:	\$2,000	\$6,000	
Are there services covered before you meet your deductible?	Yes. Office visits, speech/physical/occupational therapies, true emergency care, retail clinics, home visits, podiatry services, mandated prenatal/postnatal care, preventive care, and some prescription drugs.			This plan covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your deductible. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.			You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?		Network	Non-Network	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	Per participant:	\$6,750	\$12,000	
	Per family:	\$13,500	\$24,000	
What is not included in the out-of-pocket limit?	Premiums, penalties, amounts over usual fees, and charges this Plan does not cover.			Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes, for medical: Anthem. For a list of preferred providers, call Anthem, at 1-800-810-BLUE or visit www.anthem.com . Yes, for prescription drugs: Magellan Rx. For a list of retail and mail pharmacies, log on to www.magellanrx.com .			This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.			You can see the <u>specialist</u> you choose without a <u>referral</u> .
